Why Choose Us?

More about our services

At Freedom Living Australia, we infuse education with an exhilarating zest, backed by over 30 years of expertise in Special Education and transition programs. We don't just teach, we ignite passions and pave the way for your extraordinary journey.

In our vibrant learning environment, we pride ourselves on small group sizes that allow us to nurture your unique qualities. Regardless of your gender identity, cultural background, or location, we're here to champion your individuality and promote inclusion for all.

Freedom Living Australia offers a range of services to support professional and personal development. These include resume writing and job application assistance, enhancing workplace communication, and developing both hard and soft employability skills. Participants learn to contribute in team environments and understand job requirements.

Support and Activities

Participants can gain qualifications such as White Cards, First Aid, and RSA through TAFE and other training providers. Additionally, elective workshops on entrepreneurship skills are available. These services aim to equip individuals with the skills needed for career and personal success.

Work Experience in Open Employment

We offer a variety of services to make your supports more enjoyable. Our Employment Supports provides you opportunities to do work experience in open employment. This is a great way for you to try out different jobs and see what job is the right fit for you.

Financial literacy is taught through budgeting and money management courses, and workplace health and safety are prioritised. Understanding payslips, accessing public transport, and appropriate workplace dress codes are also covered. The program promotes healthy lifestyles and provides interview practice sessions.
